- While Basketry is fun, it also teaches patience and the importance of reading the directions before you start.
- Note that in 2004, the requirements added a third basket. Allow 10-20 hours to complete the three baskets.
- Basketry may now be difficult to complete during summer camp. Consider starting the baskets ahead of time.

3. [Basket Weaving 101](#) shows color photos of each step of weaving a basket.

Basketry kits for each project are available at your local [Scout Shop](#) or online at [ScoutStuff.org](http://ScoutStuff.org) and other sites such as [County Seat](#).

3a. Save the more difficult square basket for last. The [Larger BSA Square Basket Kit](#) is easier than the small one.

3b. The Round basket is easier for many than the square basket. Still consider the [BSA Large Round Basket Kit](#)

3c. [BSA Campstool Seat Kit](#)

Note: Leave a gap between the reeds the thickness of three reeds so that you will have room for the cross-pieces.

The [301 Rush kit](#) can be used for this requirement but costs about twice as much as the BSA [Campstool Seat](#).
