Dear {\$fname},

Hat Incentive Deposit

Our Hat Incentive Deposit has been extended to March 23, this should provide ample time for us to catch up onboarding everyone with this new process. I apologize for the delay, most issues that have been brought to our attention have been fixed at this time. As a reminder, the hat incentive deposit is a \$35 per person deposit that anyone who pays this deposit will receive a free incentive hat for the season. (The \$35 is allocated towards final fees). Troops have the opportunity to put embroidery on the back of the hat. This will be the same embroidery for all hats. Embroidery is \$7 per hat. (This \$7 will not be allocated towards final fees).

Fee Schedule Reminder

Our fee schedule is broken up into three different parts. The first being the campsite deposit of \$500. This is often paid during the previous summer to ensure a spot for next summer.

The second deposit is the Hat Incentive Deposit (\$35/person) which is now due March 23 as noted above.

The third part of this deposit is final fees which are due 30 days in advance.

April Leaders Meetings

The dates have been posted for this year's leaders meetings. We have changed this year's schedule to 3 in person leader's meetings, and one virtual. If it is closer for you to attend a meeting that is not in your state, please feel free to attend. If you can not make a meeting, there is a zoom option, which will be available for up to 500 people on April 11th, and will also be recorded and posted online for those who are unable to attend. These are great opportunities to help get onboarded for Camp Doc, as well as get all the updates and changes to program and procedures this year.

Our 2024 leader's guide is in the final stages of edits and should be available next month, with a printed copy available at the leaders meeting!

We are excited to have so many exciting additions for this year to help make the summer camp experience even better. Our 109th season is going to be one for the books. A full program release is set for March to include specific details about Horsemanship, Electricity, Ice Skating, Branding Night, and more so stay tuned for more details in the next month.
